

**Capt. McLean, of the 2d Cavalry,**  
who was so severely wounded and crippled  
while gallantly leading his men against the  
Indians at the battle of Bear River, is to be  
general recruiting officer for this State. The  
Governor hopes to fill up existing regiments  
and at the same time is in favor of the dis-  
count on greenbacks, so that soldiers' pay  
nets them about \$7 per month. Can't this  
State afford to give a bounty of \$400, when  
even the coppery State of New Jersey does  
it?

of back and broke enough to see a knife, he might get out of it the best way he could. I had done all I could to keep him out of it, and my conscience was clear; and so I just told them I didn't care which whipped, and went into my house again. And ever since I've kept on cooking and sewing and wash-
