

ANOTHER VOLUNTEER WOUNDED.—A detachment of Capt. Messick's men, under command of A. McNeil, while in pursuit of a party of Indians, near Alby's ranch on Redwood, on Friday, 21st inst., were fired upon from an ambuscade and one of their party, Mr. Calvin Gun, severely wounded.

Good.—We notice that R. W. Brett has planted a fine lot of fruit trees in his lot, corner of E and Front streets. Think they are rather close together to thrive. Brett.
