

FRIDAY, January 24.

IN SENATE.—The Committee on Indian Affairs report that they find that Major William Rogers, Sheriff of El Dorado county, was fully authorized by an order of the Governor, dated Oct. 25, 1850, to call out and organize 200 men to punish the Indians in El Dorado county, and along the emigrant route.

Mr. Cook gave notice of his intention to introduce a bill to amend an act entitled "an act to provide for the lien of mechanics and others."

Mr. Tingley presented a formal protest against the permanent location of the seat of government at Vallejo, and assigned the following reasons—1st. Vallejo only proposes to pay \$370,000 to the State two years hence. 2d. The State is now indebted \$200,000 and her scrip or treasury warrants worth about 50 cents on the dollar. 3d. By this bill the State, in payment of the \$370,000 proposed by Vallejo, can, and I predict will be paid or tendered in payment by Vallejo, in State scrip, the whole amount of which can be bought for less than \$150,000, and thus by a sharp monied operation, enable Vallejo to pay the amount of his proposition with less than one-half his apparent promise to the people—in which operation Vallejo will save at least \$150,000, and the State lose that sum. 4th. Because the passage of such bill will be injurious to the whole State.

The San Joaquin contested seat was then taken up, and Mr. Fair was heard in his own behalf at great length, in an able and argumentative speech. At its close the Senate adjourned.

IN ASSEMBLY.—Mr. Bigler offered a resolution, prohibiting the Common Council of Sacramento from voting themselves salaries, without a vote of the people, and that they issue no scrip without the authority of the Mayor. Made the special order for Saturday week. Mr. Moore accord-
