

FROM THE VOLUNTEERS.—Gen. Kibbe  
has returned from Hoopa, having procured  
the services of three of the head-Indians there  
to assist him in bringing the Redwood Indi-  
ans to terms. Among the three is the old  
Op-le-gow Mowema. The General is of the  
opinion that he will soon be able to terminate  
the campaign if no obstacles are thrown in  
his way by meddling white men.
