

Indian Depredations. News arrived in Shasta
on Wednesday to the effect that the Indians had
made an attack upon the Ranches on the Sacra-
mento river, and murdered the inmates. Rumor
says also that several pack-trains were attacked.

The Agitator of 1827.

The following stirring lines are from the speech of Henry Clay, delivered in the House of Representatives, Jan. 20, 1827 :

"We are accused of doing mischief by the agitation of this question. Collateral consequences

An Adventure in the

The readers of Kane's narrative of his Arctic expedition could hardly read the following passage with less interest, so completely did it and his men demandant me
