

"We have heard nothing from the  
Volunteers this week..." Weekly  
Humboldt Times, February 19, 1859:  
p. 2, col. 1.

We have heard nothing from the Volun-  
teers this week. In fact, the weather has  
been so severe that nothing could be done.  
At last accounts Gen. Kibbe was at Red-  
wood waiting to hear the result of the war-  
wow between the Hoopa's which he sent out,  
and the hostile Redwoods.

We have heard nothing from you for several weeks. Wm Humboldt Times, Feb 19, 1859. p. 2, col. 1.

## ATTENDANCE AND LANGUAGE IN THE PRESS.

BY REV. JOHN B. DICKENS.  
The paper, then speaking, has an opportunity of expressing their views on the subject of the Church of England. It is a subject which has of late years attracted much of the public attention. The English Church has long been a subject of controversy, and it is not surprising that it should continue to be so. The press is a powerful agent in the dissemination of ideas, and it is to be hoped that it will continue to be so. ## BY A DOOR'S RATTLE.

The dark shadows of Fisher's Island, where the sun sets, and the stars appear, are a scene of great beauty. The sea is calm, and the sky is clear. The air is fresh, and the water is blue. The rocks are high, and the cliffs are steep. The trees are green, and the flowers are red. The birds are singing, and the insects are huming. The scene is a picture of nature's grandeur and beauty.
