

APPRENTICING INDIANS.—This law works beautifully. A few days ago V. E. Geiger, formerly Indian Agent, had some eighty apprenticed to him, and proposes to emigrate to Washoe with them as soon as he can cross the mountains. We hear of many others who are having them bound, in numbers to suit. What a pity the provisions of this law are not extended to greasers, Kanakas, and Asiatics. It would be so convenient to carry on a farm or mine, when all the hard and dirty work is performed by apprentices!—*Humboldt Times*, 23d February.
