A thrilling occurrence at Clearwater.
The principal accident of the day occurred about the time Mr. Goodrich returned from his visit to Washington, he became suddenly seized with an illness and sudden return home. In a few days he died, and the cause of death was ascertained to be a rupture of the stomach.

At the same time we were advised of the death of a woman in Arlington, in a most extraordinary manner. She was a young girl, and the cause of death was ascertained to be a rupture of the stomach.

At the same time we were advised of the death of a man in Arlington, in a most extraordinary manner. He was a young man, and the cause of death was ascertained to be a rupture of the stomach.
