EEC RIVER, April 14th. MR. EDITOR:-The citizens of this Valley met yesterday for the purpose of taking the initiatory steps towards organizing a Volunteer-Company in this valley. The petition will go up to the County Judge in a few days, requesting him- to give the necessary orders for the organization, election of officers, &c. according to the provisions of the Statute: this effected, we shall be prepared, while we lead a peaceable life, to compel the Indians to lo the same with regard to us. * The Indians, near the mouth of this river. ad a grand dance a few days ago, which some consider a sign of preparations for war; but not being much acquainted with their customs, I shall not venture an opinion either one way or the other. The spring trade has. commonced with the mines and bids fair to be very brisk during the summer. Our train as lately come across the mountains and is a going out in a few days. The inhabitants of i he valley intend shortly to open a new road (hrough a part of the Red Wood Hil's, which

> will ereafly improve the trail. Everything dourishing in the valley, grass is excellent, and the stock thriving finely. The crops look very promising, but the farmers are rather late willi their sowing and planting but I think that there will be far more raised on the river for market this season than there ever wastlefore, notwithstanding the low price of firm-produce which has ruled for the last two years. More anon. Yours, respectfully, We have omitted a portion of the letter of our correspondent relating to the Indian at--tack-on = Cooper's - Mill, and -the expedition against said Indians, as we have heretofore published the same facts nearly as given by "B" We wish our correspondent to keep us posted as to the matters transpiring in the
