Another House Burnen.—We learn
that the house of John Soper, between
Ferndale and Centerville, was burned on
Wednesday, with everything in it.
Mr. Soper was on Bear river and Mrs.
Soper absent to one of the neighbors at
the time. It is supposed to have been set
on fire by Indians. If this proves true, it
will be a warning in regard to the danger
of allowing these lazy vagabonds to hang
around in a community that should not
be disregarded.
