

HOOPA RESERVATION. — Congress has appropriated \$60,000 for the purchase of the improvements in Hoopa Valley. If this is in Treasury Notes, as we presume is the case, this is about half their appraised value. A few days previous to its final passage, it was defeated in the House, being opposed by Cornelius Cole. Afterwards, in the last hours of the session, it was tacked on to the general appropriation bill, and so received the sanction of both houses. We shall take occasion to refer to this matter again.
