

INDIAN WAR CLAIMS.—Mr. Whipple's Bill authorizing the Treasurer to issue Bonds for the payment of expenses incurred in suppressing Indian hostilities in certain counties, became a law a few days before the close of the session. The amount is not to exceed \$110,000, the greater portion of which is to apply to expenses which accrued in Siskiyou, Klamath and Humboldt counties. The bonds are to be paid out of funds obtained by the State from Congress for such purpose. The Northern members are constituted a Board of Examiners to examine and audit the claims. We have not a copy of the act as it passed, but when we receive it will publish the same, or a synopsis thereof. Our northern members are entitled to credit for securing its passage.
