

STARS AND STRIPES IN THE MOUNTAINS.—  
To Lieut. Rundell, commanding detachment  
of U. S. troops at Camp Cappel—the upper  
end of the Klamath Reservation—we believe  
belongs the honor of hoisting the first Ameri-  
can flag that high in the mountains in this  
section of the State. The ceremony took  
place at that point on the fourth instant, we  
are informed, amid the rattling of musketry,  
and the enlivening sounds of the bugle.—  
“Long may it wave,” and the “shadow of the  
gallant Lieutenant never be less.”
