

MORE INDIANS KILLED.—We are in-
formed by Lieut. Geer, Co. A, 1st Bat.
Mountaineers, that a detachment from
Co. C, of the same, stationed at Burnt
Ranch, came upon a band of Indians
while on a scout, and succeeded in kill-
ing three of them. The Indians in that
neighborhood are as great cut-throats as
any that infest the country, and we are
glad to learn that their case is being at-
tended to.
