

**MOUNTAINEERS.**—Lieutenant John A. Watson, of Trinity county, arrived here on Thursday with eleven more men for Company C. He thinks the company will be full in a short time.

By a letter from Lt.-Col. Whipple we learn that Capt. Simpson's company was ready to be mustered in, and an officer had gone up for that purpose. Col. Whipple writes that his interviews with Gen. Wright were in every respect satisfactory; that the General fully understands the condition of affairs here. The same letter informs us that Major Taylor is raising a company in Siskiyou and will be down here with it soon.

Capt. Long has relieved Capt. Flynn at Fort Baker, and Capt. Ousley will take command at Gaston. We understand an order has gone up to Ousley to that effect, and that Capt. Morton's company has been ordered here. It seems certain that Gen. Wright has determined to remove the entire regiment of Colonel Lippitt from the county, and in view of the general satisfaction which this step will give, we trust the officers and men

of the battalion will bear with patience  
the disappointments which they may ex-  
perience for a short time, as it will not  
be long before everything will be in com-  
plete working order.
