INDIANS KILLED ON HAY FORK.-In the first battle Lieut. Collins had with the Indians on this campaign, an old Indian was taken prisoner who gave the names of the Indians guilty of the murder of the white woman at Larabee's in February last. He testified that Sawin-na, of Upper Mad river, with his two sons, were the parties. This becoming known to residents of Hay Fork valley -where Sa-win-na with his family has been skulking-since the troops have been in the field—they proceeded to deal out justice to the murderers by killing all three.
