RUMORED LOSS OF STOCK.—The *Shasta Republican* of Saturday, June 27th, says:
Large droves of cattle are being driven from Oregon to the Sacramento Valley over the Pitt river wagon road. In the early part of this week a rumor reached this place that a great many had been stolen by the Indians. We have been unable to learn any particulars. As the Pitt river and Hat Creek Indians are known to be very troublesome, we are disposed to believe that the rumor is founded in fact.
