

**ARRIVAL OF TROOPS.**—Major McKinstry, Lieut. Stoneman and the troops who went up to Placerville a fortnight since, returned to this city on yesterday.

The Major informs us that there will undoubtedly be a treaty concluded between the whites and Indians next week, as couriers have been despatched to all important points for the purpose of assembling the chiefs in council.

The grand "talk" is to come off at Norris's ranch on the American river, about three miles from this city.
