A meeting of the citizens of Trinidad convened at Dugan's Hotel, Saturday Evening, June 28th. Capt. James McMahon was called to the chair, and W. S. Heyl appointed Secretary.

Mr. Harper addressed the meeting, and offered the following resolutions, which were unanimously adopted :

Resolved, 1st. That a committee of three be appointed to correspond with the different parts of the county, so as to secure concert of action throughout and devise such measures as may be best adapted to the present emergencies.

2d. That arms and ammunition of every kind that can be procured, together with such men as may volunteer, be sent immediately to Tompkins' Ferry, and that the committee are particularly instructed to act on this resolution.

3d. That the duty of the committee shall be to write to the different sections of the county, and suggest the propriety of organising companies to start simultaneously, so as to concentrate the whole forces at a central point, together with such other duties as they may deem expedient.

4th. That it shall be the duty of every man to report any person or persons whom they may know or suspect of being guilty of selling arms or ammunition to the Indians, and that upon conviction, such person be punished with 39 lashes upon the bare back, to be administered by any one who may be deemed most competent to do justice to the offender.

5th. That it shall be the duty of every man to take (peaceably if he can, forcibly if he must) arms of every description, from any Indian in whose possession such may be found.

6th. That the committee be instructed to send a copy of the above resolutions to every precinct in the county.

Messrs. Harper, Dow and Van Wyck, were unanimously appointed to act as the committee.

On motion, the meeting adjourned.
