OFFICE INDIAN AFFAIRS,  
*San Francisco, California, July 11, 1864.*

SIR: I have the honor to inform you that all the Indians on the Tejon farm and in the vicinity of Fort Tejon, some two hundred in number, have been removed from there to the Tule River farm.

The Indians at Tejon were reported to me as being in a very bad condition and suffering for food. Having no means of subsisting them there, I ordered their removal to Tule river. They left Fort Tejon on the 6th of this month.

Mr. G. S. Hoffman, special agent at Tule river, informed me, under date of June 24, that the harvesting had been completed, and yielded 70,000 pounds of barley and 200,000 pounds of wheat, which, with the crop of beans and potatoes, will be an abundance to subsist the Indians now on the farm, or likely to be placed there, for the present season.

Very respectfully, your obedient servant,

AUSTIN WILEY,  
*Superintendent of Indian Affairs.*
