

MORE INDIANS CAPTURED.— We learned just as we were going to press that Lieut. Taylor of company — 6th Infantry C.V. has just succeeded in capturing thirty Indians, eight bucks and twenty two squaws, and is on his way to Fort Humboldt with his prisoners. We understand that these are a portion of the Indians who have been roaming about in the upper Eel River country. Stephen Fleming, a citizen of this county was learned to be his guide to the Lieutenant.
