

~~INDIANS AT GOLD BLUFF.~~ Yesterday  
afternoon Jas. Wilson and Sergeant Brad-  
ford arrived from Trinidad, bringing the  
news that the Indians, supposed to be  
Redwoods, had made their appearance at  
Gold Bluff, but were discovered in time  
for the men to reach their block house,  
which they still held at dark, Thursday  
evening. Col. Whipple started a detach-  
ment to their assistance yesterday after-  
noon, and they expect to reach the Bluffs  
to-day. They will be accompanied by  
Jas. Wilson and a few other citizens.
