

INDIAN MATTERS.—As yet no response to the appeal made by citizens of Trinity river, has been received from Gov. Downey, although daily looked for. The Governor was absent from home when the dispatch was sent, which probably accounts for the delay.

A few days ago while Messrs. Durkee & Phillips were hunting cattle in the mountains near that place, they were fired upon by Indians and quite severely wounded about the head and face. Neither are in danger.

A party of about twenty left North Fork last Tuesday for the mountains in search of Indians. Geo. Ham was chosen captain. Among the members are Jno. Hawk and Mark Anthony, of Weaverville.
