Losr.—All the papers pertaining to Indian claims.-embodied in the Report-of Messrs. McDonald and Jones, and sent-down-fromthis place last winter, have been lost. A gentleman writing from Sacramento to the Siskiyou Chronicle, says:

They were sent to the Assembly by Gov. Johnson, and referred to the Committee on Indian allairs, from there referred to Committee on Claims, famended, and reported back; from which time all trace has been lost of them. Who is to blame I am unable to determine, but certainly some one is very remiss in their duties; and for the information of all those whom it may concern, I would say, the only way which pay can be had for services and supplies furnished, to those small expeditions, is for them to make-out other muster rolls, and bills certified to by the officers having a knowledge of the same, and send them down immediately.
