

~~PERSONAL.~~ ~~Hon. H. P. Heintzelman,~~ formerly Senator from the Sonoma District, has been spending a few days with us. Mr. H. came up on the *Goliath*, landed at Crescent City, and came down by the Klamath Indian Reservation, at which place he had some business. He thinks the Reservation a very good selection for this section of country. Mr. H. likes the country around this Bay very much.

Mr. Jones, one of the Commissioners to settle the Indian War Claims, is in town and stopping at the American. Mr. McDonald, the other member of the Board, is expected to arrive to-day.
