

**TREATY.** — The citizens of Mattole Valley, made a treaty with the Mattole Indians on the 4th inst. The articles of the treaty are expressed in resolutions adopted at a public meeting. Among the resolutions were the following:

*Resolved,* That we will not allow white men who are renegades from other portions of the State or county, to reside in this valley, or live among the Indians. — That we consider all such persons a disgrace to any settlement, and a source of trouble and difficulty with the Indians. — We therefore cannot, and will not, permit them to live among the Indians, or us.

*Resolved,* That these resolutions be published in the Humboldt Times, as a notice to the public, and a warning to those white men who are renegades and fugitives from justice, and that we will not permit them in future to make our valley a hiding place for any such outlaws.
