

THE INDIAN WAR.—Gen. Kibbe is expected here to-day, to arrange for immediate proceedings against the Humboldt Indians. He will bring all the arms to be obtained in Sacramento, and the outfit can be supplied here. Mr. Muston has returned from conference with the Executive, and he says that the Governor's action was prompt and praiseworthy. He ordered the Indians to be flogged until they are willing to be removed to a distant Reservation, and has given directions to Col. Henry to be there to receive them. So, it is expected that Lo, the poor Indian will have to travel.—*Trinity Journal*.
That's the way to talk it.
