At a meeting of the citizens of Humboldt county, held at Hydesville, October 12th, 1861, Mr. Wm. T. Olmstead was chosen chairman and E. L. Davis as secretary.

The meeting was called to order by the chairman, after which he stated that the object of the meeting was to make some arrangement in relation to the Indians of our county, both tame or pet, as well as the wild-diggers.

We, the committee appointed to draft resolutions expressive of the sense of this meeting, beg leave to report as follows:

1. Resolved, That it is of paramount interest to the citizens of Humboldt county that all the Indians of our county, who have homes with citizens, or living in the settlements as "tame Indians," should be removed to the Klamath Reservation: Provided, that none shall be removed who have homes with white men, under the age of ten years, and who have lived as apprentices with the whites for one year.

2. Resolved, That the citizens of the county, having Humboldt county Indians bound to them, are requested to call on the County Judge and reclaim their papers of indenture within twenty days from date of this publication, of all Indians so bound, who come within the purview of this first resolution.

3. Resolved, That a committee of five citizens be appointed to visit those who have Indian apprentices, for the purpose of conferring with them in regard to their bound Indians, and request them to provide a way and means to send them to the Reservation.

4. Resolved, That no Indians shall be removed whose former home was without the bounds of Humboldt county, except by the consent of their master.

5. Resolved, That no Indians residing with one of our citizens, although coming from another county, shall be allowed to carry fire arms, except when in company of their masters.

6. Resolved, That all the citizens of the county are earnestly requested to co-operate with us in ridding our county of all tame or pet diggers.

7. Resolved, That a copy of these resolutions be forwarded to S. G. Whipple, the editor of the "Humboldt Times," requesting him to give them an insertion in his paper.

THE STAR SPANGLER BANNER.
 BY FRANK E. EY.
 65-2 says you see by the dawn's early light,
 What so proudly we hail'd at the flag's first
 flight,
 O'er the ramparts we watch'd, were so gallantly
 streaming,
 And the rocket's red glare, the bombs bursting
 in air,
 Under the pale moon of heaven,
 Did our brave plumes fell in glory;
 But what so to the glory that we hail'd,
 So have we changed, that not
 our children hear
 The trumpet's swell afar,
 The war drum's roar,
 In our ears,
 And the flag that still
 we see,
 Is the same old
 flag that
 first
 our
 fathers
 saw
 in
 the
 sky,
 And the
 stars
 that
 still
 we
 see,
 Are the

 And the

 Are the
