

~~Not So. — From Mr. John P. Warren~~
~~we learn that the item we clipped from~~
~~the Trinity Journal giving an account of~~
~~a raid lately made by a party of Indians~~
~~from Hoopa Valley Reservation, on a~~
~~camp of Chinamen on New river is~~
~~erroneous. He informs us that if any~~
~~such a raid has been made the traders,~~
~~miners and chinamen of New river and~~
~~on the Trinity near the mouth of New~~
~~river know nothing of it.~~
