

INDIAN RESERVATION.—Mr. Whipple has shown a sound discretion in the establishment of the lower Klamath Reservation farm. It is a most beautiful location, affording more than a sufficient quantity of tillable lands for farming purposes. Mr. Whipple and his agent Mr. Snyder have the confidence of the Klamath Indians and control them with ease, the only source of dissatisfaction with them being that the United States have not purchased their lands of them before taking possession.

THE HUMBOLDT TIMES.

UNION, CALIFORNIA, SATURDAY, NOVEMBER 21, 1895.
