

Lo The Poor Indian.

For a few days past, the Indians have been actively engaged in providing food for the coming winter. We observed quite a number on Tuesday last, laden with flour and other commodities which they are in the habit of using. When will the time come which will see these poor beings in a better state—their present condition is truly deplorable.

BIDWELL, BUTTE COUNTY, CALIFORNIA, NOVEMBER 24, 1855.

Pole's courage and intelligence. He elapsed since he had partaken of any But whilst Benita repeated by rote in 2d English. ar the give him his verbal instructions Baron
