

SOLDIERS WANTED.—In another column will be found a call from Lieutenant Tuttle for recruits to fill up the First Battalion, Mountaineers, U. V. These men are to commence a campaign against the Indians in Humboldt and adjoining counties, and here is a good opening for young men fond of mountain life. The service will not be hard, but active, and the bounty is quite an object. There are a number of men in this county who are out of employment, that would make good soldiers. Let them enlist.
