

SMALL POX is raging among the Cosumnes
Indians, near Cedarville.

BUTTE RECORD.

MORNING, DECEMBER 28, 1861.

ning the Gauntlet.
of the Texas Rangers, was
Indians," as he called it, upon
l in the middle of a large plain.

we would have a short talk with them. To
this we readily assented, not, however, with
the hope of making favorable terms with them;
but we were, in fact, almost destitute of am-

" In another hour, we had recovered our
horses, and had left behind us the scene of our
late excitement; but when we were miles
away, the baffled Kioways were still engaged
