Majority of Hamilton City over both others, 26

There are some of the precincts yet to hear from, viz: Tolle's Dry Diggings, North Fork Feather River, and Nelson's Creek. These precincts will probably swell the vote in favor of Hamilton City. It will require a majority of all the votes to entitle any of the proposed Cities to a choice as County Seat.

This vote is but a small portion of the votes in Butte County, and must not be taken as a criterion of its strength. On an occasion in which the citizens at large feel an interest, the vote will be far greater.

ASSASSINE.—We clip this from a paper printed 'way down below.' Don't know to whom we should credit it. Let it go for what's worth.

Attempt by a Pennsylvanian to Assassinate Louis Napoleon.—The young man who attempted to assassinate Louis Napoleon, is a Pennsylvania Printer, about 18 years of age. The young man was addicted to socialism, and probably was crack-brained.

INDIANS.—The males of the tribe of Diggers in Yuba City go naked in warm weather—bathe frequently in the 'Feather' or Yuba'—catch fishes—eat acorns—'mind their own business.' The females wear short-gowns and nurse the little ones of both genders. School houses are in process of erection there, and shirt-making is looking up. Tailors wanted.

What is there so peculiarly fascinating in the office of Superintendent
