San Francisco, Cal.  
July 26<sup>th</sup> 1854

Gen. W. Manspenny, Esq.  
Commr. of Indian Affairs,  
Washington City,  
D.C.

Sir:

I have this day taken charge of the business of this Superintendency. The Books and Papers of the Office are, it appears, in the hands of the late Superintendent's Clerk, who is now absent from the City. As soon as these are received, I shall take pleasure in complying with your Instructions relative to them, and of the "condition of the Office business," as required. I shall at the same time be prepared to report the amount of funds on hand. From the statements made by my predecessor I incline to the opinion that but a small amount of money, if any, will be found in the hands of this Superintendency. Of this, however, I shall furnish a more detailed, and doubtless a more satisfactory

Satisfactory statement in the course of a  
few weeks.

I am

Very respectfully

Your obedt. servt.

Thos. J. Husley.

Supt. Indian Affairs.
