Sir -

Mr. May desired  
me to give a copy of the Cal<sup>a</sup>. aft.  
which I showed you the other day -  
& I send it herewith, promising  
only that it is as near a copy as  
I can get, without vouching for its  
entire accuracy -

The name of the Gent. who  
appends "U. S. Dr. No" is as accurate  
a copy as I can make, but what it  
is I do not appear to know or even  
guess at -

Yours Resp<sup>tly</sup>
