House of Representatives

Washington May 8th 1854 -

Dr Sir -

Permit me to introduce to your acquaintance Doct. J. R. Wooster of California -

Doct. Wooster is a man of great Energy & Extensive Information and has some views of his own as to the policy to be pursued with regard to our California Indians.

I think his views will be found entitled to grave consideration, and I therefore ask for him your consideration of such views as he may desire to present -

Amos W. Macey Esq

Commissioner of Indian Affairs
Washington

Respectfully
