SACRAMENTO NEWS.

PER GREGORY'S EXPRESS.]

The publication of the *Times and Transcript* in Sacramento has ceased. The next issue of that paper will be in this city under the same editorial control. The editors announced that this step "has been resolved upon after mature consideration, and in accordance with the expressed wishes and advice of several of the most prominent and influential men of the Democratic party."

**TWO MEN DROWNED.**—We learn through Gregory's Express, that a melancholy accident occurred on the 3d instant, at Carpenter's Bar, on the North Fork of the American River, by which David Curray, a sailor, from Scotland, and Thomas Carpenter, from Inland, lost their lives. They were crossing the river in a small boat which, when near the shore, was upset by the rapidity of the current, and themselves thrown in the stream. Mr. Cairnes, who was near the spot, immediately run to their assistance, and reached Curray; too late however, to succeed in saving him, as he was already in the rough rapids and completely exhausted.

Curray had his papers about his person, and the two had more than a thousand dollars in dust with them at the time. Their bodies have not been recovered.—*Union*.

**LYNCHING AT MUD SPRINGS.**—On Friday last, a party of Chinese and Indians got into a difficulty, at Mud Springs, El Dorado county; in the fracas, one of the Chinese was killed by one of the Indians. The Americans there then arrested the Indian, and turned him over to the Chinese, who hung him on the spot.—*ib.*
