Sir

I have a claim in your
department for services rendered
as an interpreter to Col Adams
Johnston, Indian Sub-Agent in
California in 1849 - 50 - 51.
I wrote to your predecessor in
regard to it but had never
fortunate enough to receive
an answer - Any information
in regard to the above claim,
whether there is any prospect
of being soon paid, will
be thankfully received

Yours truly
E Gould Buffum
