I was duly favored
with yours of 24th enclosing check on New York for \$98.²⁵
I understand Mr. Woznesoff has sailed from New Orleans,
I will await the arrival of Mr. Barber & my self, at Chagres,
or Panama. Mr. Barber is now hourly expected here, and
by tomorrow, I hope we shall be enroute for New York, &
be prepared to sail in the first steamer, after the 8th prox.

You will confer a favor upon us by
obtaining from the proper officers in the War Department
an order ^{for} personal arms for the Commissary, their
secretary & Commissary. I cannot well specify what
will be desirable, but will be governed by the information
we may obtain in New York. Also, a supply of Medicines
& some few surgical Instruments. — Please address
the care of Wm. W. Scott, New York

I am very Resp^{ly}
Yours to
A. McKee
