Commissioner Ind. affs

Sir

On the 19th of Oct. last I advise the Department of the fact, that agent Geyers official bond was detained in this Office for the reason, that neither the United States Distr. of atty, nor Judge, would consider the question of the solvency of the securities. The atty is now sick, and as the Judge has positively refused to act under any circumstances, I deem it proper to forward the bond now for your consideration.

The securities are personally known to me, to be amply sufficient. Mr. Chard is alone worth \$100,000. (One hundred thousand dollars), and Mr. Taylor is worth \$10,000. (Ten thousand —
dollars

dollars)

Very Respectfully Yours

Thos. J. Hinley,

Capt Ind Art.
