FOUND DROWNED.—The body of Mr. Daniel Bohn, who has been missing since the 9th of January, was recovered on Saturday by Capt. Daly, one of the city pilots. Bohn kept a shoe store at 68 Pacific wharf, and has a wife and four children in New York City. He is supposed to have fallen into the dock near his store at the period above mentioned, and a verdict to that effect was rendered by the Coroner's jury. —*Chronicle.*

FOUND AT LAST.—There were five persons arrested for fighting, among whom were Billy Patterson and the man who struck him. The latter is an individual about five feet two inches in height, with dark hair rather closely cut, is apparently about thirty-three years of age, and was dressed in a brown coat and pantaloons, with blue shirt. —*S.
