

INDIAN TROUBLES.—The *Shasta Courier* says that a party of miners went out about three weeks ago and shot down fifteen Indians who had stolen stock. During the last five months 63 McCloud Indians and 40 Pitt River Indians have been killed by the miners. On this last occasion the white men surrounded the rancho and killed the whole party, except a squaw and a child captured, and a buck who escaped with a bullet-hole through him.

THE YOUNG AMERICA.—The second number of this semi-occasional has been published, and we are indebted to the man that "did" it, whoever he may be, for some very hearty and some very great laughs while perusing it. A keen sense of the ludicrous is exhibited in its designs and the explanatory articles, and we must say that we were not previously aware that there was so much genuine wit and humor extant among us as exhibited in the columns of *Young America*.

THE BALL LAST EVENING.—Last evening a select and fashionable party assembled at the Musical Hall, on Bush street to "trip the light fantastic toe," upon the occasion of Miss Congdon's first *soiree*. A great deal of satisfaction was evinced by all present, and the management deserve credit for the perfection of their arrangements. A magnificent supper prepared by Messrs. Robb & Co., was laid in the lower saloon, and at midnight the dancers retired to enjoy the good things prepared. At a late hour the party broke up, highly pleased with the night's entertainment.

MISS HAYES.—This talented lady and accomplished artist, who has lately returned from a visit to Lima and Valparaiso, will appear, as we understand, at the Metropolitan Theatre within a few days. She will, of course, be enthusiastically welcomed by her numerous admirers. A number of operatic performances will be presented with the assistance of the ablest musical artists, whose aid can be secured for the occasions.

GREAT REAL ESTATE SALE.—Messrs. Selover & Sinton will sell to-day, at 12 o'clock, a lot of stocks, 32 fifty vara lots on Mission street and Folsom street plank roads. A number of valuable water lots will also be sold, and the sale will afford a fine opportunity for speculators, as well as those who wish to purchase for building purposes.

DEATH OF WM. LAYDEN.—Wm. Layden, late of this city, died in Honolulu on the 21st of February. He left many friends here, for he was liked by all his acquaintances, and having arrived here with Stevenson's Regiment, had become widely known. He was formerly a resident of New York, where he had an extensive circle of friends.
