Hon. Genl. Thompson
Secy. of the Interior
Sir.

Having examined
into the conditions of the District of the
Colorado. Connected with this Superintendency
I am induced for the furtherance of the
interests of this Department, to request that
Mr. H. P. Hinzelman Sub Agent in charge
of this District be removed, and I respect-
fully recommend that Mr. Thomas. H.
Tilghman be appointed in his place -

Mr. Tilghman's familiarity
with Indian life, his acknowledged activity
and energy of character renders him
peculiarly fitted for this position, where
danger is so frequently to be encountered.

I have the honor to be Sir

Yours truly
J. M. Duffie
Sup. Ind Affairs
