To the Commissioner Indian
affairs Washington,
Dear Sir

I have lately received
intelligence of the death of my
brother H. S. Ford, late Indian
Agent at Mendocino California

As he died without family
my father William C. Ford be-
comes his heir, whose attorney
I am. I write, in order to inquire
1 If there is anything due him
from Government, - what amount
2 If anything, what course
shall I take to obtain it?

I expect I shall find it nec-
essary to go to Cal'f to settle his
estate there, but if there is any-
thing due from Government I
would like to get it first. Any in-
formation you can give me

will be thankfully received
by yours most respectfully,

R. H. Ford
