

DUNCAN'S ART UNION.—Duncan's beautiful exhibition of works of art continues to be thronged daily. As the drawing is to take place on Monday, those who desire shares should secure them immediately.

INDIAN RESERVATION.—We learn that "King Weimah," notwithstanding the effort to retain him here, has consented to take up his abode at the reservation. Nearly all the able bodied members of the tribe are also to go there. Mr. Storms has been untiring in his efforts to accomplish this end, and it is, in the main, through him that the matter has been brought about.

Several wagon loads of Indians, *en route* for the locality designated, passed our office yesterday. They seemed in high glee, and seemed to look back without regret upon the land which has so long been their peaceful home.—*Grass Valley Telegraph*.

SACRAMENTO PAPERS.—Adams & Co. were first with the Sacramento papers last evening.

THE MANDAMUS—ANOTHER ANSWER.—We learn that Dr. McMeans, State Treasurer, has requested the Attorney General to answer in his behalf to the writ from the 3d District Court, and to plead, together with such other pleas as he, the Attorney General, may deem proper that the Court has no jurisdiction, but that if it has jurisdiction, that he, S. A. McMeans, is obeying the law as expressed in the act of May, 1854, by residing and performing the duties of the office of State Treasurer in the City of Sacramento.—*State Journal*.
