Sir.

I have the honor to enclose to you herewith, a Bill of certain seeds furnished by James Tobin, to the Mendocino Reservation Cal., in Feb and March 1858, amounting to \$111,7500, and to explain that this lot of seed forms no portion of those heretofore furnished during Maj. Kenley's continuance in office, but is of subsequent and distinct transaction.

Very respectfully,
Your obt. Servt.
John G. Bryant
