

**HACK FARES.**—The following rates of fare have been fixed by the committee of the Board of Aldermen to whom was referred the petition relative to public hacks, and who reported favorably on the ordinance, which was also passed:—For conveying a passenger from one place to another, within the limits of Mason, Market, Fifth street, and on the north and east by the bay, the sum of \$3; an additional passenger, \$2; to any place beyond the same, in the city limits, \$5; all additional passengers, \$2; for the use of a hack by the hour, \$5; to or from a public place of amusement, &c., with one or more passengers, \$10; for children under 12 years of age, half price; and less than two years of age, no charge shall be made. **FIRE AT WALLOUPA.**—The *Nevada Democrat* says that two buildings belonging to Kanakas, were burned in Walloupa on Sunday week. The buildings were supposed to have been set on fire by some whites for the purpose of driving the Kanakas off. Many of the citizens strongly objected to burning the buildings. On Saturday night last, a building belonging to Johnson, Rice and others, was set on fire and burned down. Johnson was particularly active in driving off the Kanakas, and it is thought the house was set on fire in retaliation. Everything in the house was lost, including a supply of provisions for the winter.

**NOT TRUE.**—The report which has been in circulation for the past week, that Mr. S. P. Storms and King Weimer had been killed by the Shasta Indians, was a complete hoax. Mr. Storms was in Grass Valley on Sunday last. Mr. Storms gives a very favorable account of affairs as progressing at the reserve. The Indians are contented, improvements rapidly progress, houses are building, farming going on, game plenty, and all things moving forward to the entire satisfaction of all interested.
