r- THE LEGISLATURE.—This concern drags its slow
y length along, at an enormous expense* to the peo-
lt ple, without any indications of an adjournment, if
of we are to judge from its acts.

of On Tuesday, the 10th instant, Mr. Stebbins in-
al troduced, in the Senate, a concurrent resolution
e- that both houses adjourn *sine die* on the the 30th
a of April, and that no new business be introduced
e after the 20th, which was laid on the table.

g- April 5—Mr. Arrington introduced a bill for
n, the relief of the Klameth Rangers—Capt. Young's
of Company.

ig April 9—Mr. Murdock introduced a bill to au-
be thorize J. Gloutz to build a wharf at Eureka,
