

THE HUMBOLDT TIMES.

EUREKA, CALIFORNIA, SATURDAY, OCTOBER 28, 1854.

CAPT. JUDAH.—We, in common with all of our community who are acquainted with this estimable gentleman and accomplished officer, regret to learn that he has been ordered to repair to Fort Jones, Scott's Valley. Capt. Judah had sent for his family, and fitted up comfortable quarters, expecting to remain, at least through the winter, at Fort Humboldt; now to break up and be separated from them again is a severe disappointment.—Wherever the Captain goes, he carries with him the good wishes of the friends he leaves behind, whose names are legion.
